# Background of Lao culture

## Lao PDR

**Territory:** 236,800 Km<sup>2</sup>

**Population:** 7,749,595 (2022)

**Laos** consists of 50 ethnic groups and each ethnic group has its own unique customs, traditions, lifestyle, dialects, music, and cultures. Those have been the valuable spiritual and cultural heritage of society that have been important factors to guarantee the existence of our nation.

The Lao people are always proud of and preserve their national culture. From generation to generation, they together preserve the culture that remains in

In addition, the multi-ethnic groups in the provinces also organise their own ethnic ritual ceremonies and festivals every year.
